## Instructions

The model for Sapphire Cat is recommended to be stitched over 1 on 25 count fabric but you may use any count that you are comfortable with. Please use 1 strand of floss or 2 depending on your coverage preference. Charts are recommended to be stitched from page 1 top left to the last page bottom right.

If the chart contains Kreinik 032 #4 (very fine braid) we recommend that you experiment with a couple of options. Start with 1 strand of Kreinik 032 Blending Filament with one strand of white as well as trying the Very Fine Braid to determine the look that you like most.

You may also use the tent stitch or full crosses depending on your preference.

We thank you for purchasing this design and welcome any questions or comments that you may have.

The figure displays a 100x100 grid, partitioned into four 50x50 quadrants by a vertical line at column 50 and a horizontal line at row 50. The quadrants are labeled 380, 390, 400, and 410 at the top. The grid contains various symbols including arrows, circles, and numbers, representing a complex spatial pattern.
