Instructions

The model for Unconditional Love is recommended to be stitched over 1 on 25 count fabric but you may use any count that you are comfortable with. Please use 1 strand of floss or 2 depending on your coverage preference. Charts are recommended to be stitched from page 1 top left to the last page bottom right.

If the chart contains Kreinik 032 #4 (very fine braid) we recommend that you experiment with a couple of options. Start with 1 strand of Kreinik 032 Blending Filament with one strand of white as well as trying the Very Fine Braid to determine the look that you like most.

You may also use the tent stitch or full crosses depending on your preference.

We thank you for purchasing this design and welcome any questions or comments that you may have.

The image displays a large grid of 100 columns and 10 rows. The columns are labeled at the top with numbers 310 through 380, and the rows are labeled on the left with numbers 380 through 420. The grid is filled with a complex pattern of symbols, including triangles, crosses, and letters, arranged in a way that suggests a data visualization or a map. The symbols are distributed across the grid, with some areas showing higher concentrations of certain symbols than others. The overall layout is a 10x100 grid of cells, each containing a symbol or being empty.
