Congratulations on buying a **Heaven and Earth Designs INC.** Cross Stitch Chart!

We know it will bring you many hours of pleasurable stitching and believe the final result will be something to love and admire forever.

Included with your chart is a clear plastic bag to protect your chart, and a coded thread list for the threads you will need to complete your project. Our charts are designed to use DMC stranded cotton threads and, where appropriate, Kreinik metallic thread.

Chart Instructions:

1. This chart is made up of several numbered pages beginning at the top left corner of the first page. The pages of chart are laid out from left to right in rows e.g. 1 2 3 4 5 6.

1	2	3	4	5	6
7	8	9	10	11	12
13	14	15	16	17	18
19	20	21	22	23	24
25	26	27	28	29	30

2. Although each chart is marked with arrows which indicate the center, we believe you will find it easier to begin from the top left corner of page 1 and follow the chart page by page to the bottom right corner of the last page.
3. We recommend you stitch your design on 25 count even weave fabrics using 2 strands of cotton over one fabric thread. However, please feel free to experiment as to what you are most comfortable with!
4. At the top of the thread list you will find our recommendation for the fabric color. We recommend purchasing a piece of fabric that equates to the design size plus 3 inches [75mm] on each side to allow for framing and matting.
5. Because of the large number of stitches, we have found it to be easier if you stitch one 10X10 grid at a time and then continue on to the next 10 x 10 grid.
6. Stitch each page until it is completed and then move on to the next. On each page there is a number at the top left that indicates the page number. On each corner is a number in parenthesis that indicates the connecting page, unless there is not one.
7. Under International Copyright Laws, you may copy the chart for your own use. We recommend that you use a copy as your working document. You may also wish to enlarge the pages to make the symbols easier to read.

If you have any questions regarding this chart please feel free to contact us.

The image displays a large grid of 100 rows and 100 columns. The columns are labeled at the top with numbers 240, 250, 260, 270, 280, 290, 300, and 310. The rows are labeled on the left with numbers 950, 960, 970, 980, and 990. The grid is filled with a complex pattern of symbols, including letters (A-Z, a-z), numbers (0-9), and various geometric shapes (squares, circles, triangles, etc.). The symbols are arranged in a way that suggests a data visualization or a complex pattern recognition task. The grid is divided into several sections by vertical lines, and the symbols are distributed across these sections in a non-uniform manner.

The image displays a 10x100 grid of 1000 cells, each containing a small black and white pattern. The grid is labeled with row numbers 950 to 990 on the left and column numbers 470 to 540 on the top. The patterns are mostly black and white, with some cells containing small black dots or lines.
