

## Introduction to the kit

The design is worked on 14 HPI white Zweigart Aida in Madeira stranded cotton. The stranded cotton is cut into lengths. Each length contains six strands. The design is worked in **one or two strands** of stranded cotton (see **Working the Design**). The threads are sorted on two cards. The tables below show the colour of the thread, the Madeira reference number, and the symbol used on the thread card and stitch diagram. Before starting your kit please read through all the instructions.
