Instructions

The model for Dragon Fairy is stitched over 1 on 25ct, Linen or Evenweave may be used. You may use 1 or 2 strands of floss depending on your preference.

It is recommended that you make working copies and enlarge to view detail and symbols.

We also suggest using a #28 needle when working over 1 on 25ct.

This is a large project that will offer many hours of stitching pleasure.

We thank you for purchasing this design and welcome any questions or comments
That you may have.

The image displays a large grid of 100 rows and 80 columns. The columns are labeled at the top with numbers 10, 20, 30, 40, 50, 60, 70, and 80. The rows are labeled on the left with numbers 290, 300, 310, 320, 330, 340, 350, 360, 370, and 380. The grid is filled with a complex pattern of symbols, including numbers, letters, and special characters, arranged in a way that suggests a cryptographic or data-related theme. The symbols are small and densely packed, creating a textured appearance. The overall layout is organized and systematic, with the labels providing a clear reference for the grid's dimensions.
