## Instructions

The model for Dragon Fae 2 is stitched over 1 on 25ct, Linen or Evenweave may be used. You may use 1 or 2 strands of floss depending on your preference.

It is recommended that you make working copies and enlarge to view detail and symbols.

We also suggest using a #28 needle when working over 1 on 25ct.

This is a large project that will offer many hours of stitching pleasure.

We thank you for purchasing this design and welcome any questions or comments that you may have.

The figure displays a 6x150 grid of small images, each showing a different stage of a pattern's evolution. The columns are labeled 80, 90, 100, 110, 120, 130, 140, and 150. The rows are labeled 380, 390, 400, 410, and 420. The pattern starts as a simple grid of black and white squares and evolves into a complex, fractal-like structure with increasing detail and complexity over time.
