Instructions

The model Top Frog is stitched over 1 on 25 count Dublin Linen. Please use 1 strand of floss or 2 depending on your coverage preference.

It is recommended that you make working copies and enlarge to view detail and symbols.

You may also use the tent stitch or full crosses depending on your preference.

This is a large project that will offer many hours of stitching pleasure.

We thank you for purchasing this design and welcome any questions or comments that you may have.

The image displays a large grid of 100 rows and 80 columns. Each cell in the grid contains a unique combination of symbols and numbers, representing a complex data visualization or a highly detailed table. The symbols include various geometric shapes, letters, and numbers, arranged in a way that suggests a structured data set. The grid is organized into 10 groups of 10 rows each, with row numbers 100, 110, 120, 130, 140, 150, 160, 170, 180, and 190 labeled on the left side. The columns are numbered 10, 20, 30, 40, 50, 60, 70, and 80 at the top. The overall appearance is that of a highly detailed and complex data visualization, possibly a representation of a large dataset or a complex system.
