Dear Stitcher,

I want to thank you for purchasing one of my „online charts“ which do allow me to spread my designs more easily to stitchers all over the world, and which ( hopefully ) allow you to stitch with more convenience and without difficulties one of my designs !

You can easily enlarge this chart and even small and detailed parts of it to the needs of your eyes using the features of the Free Acrobat Reader. If you do not yet know how to do this, I would like to refer you to my (free) Support Group at

<http://groups.yahoo.com/group/chatelainedesignsupport/>

There in the files you find a help file for Acrobat 5 + 6

I would like to ask you if you can report any mistakes, or unclear texts, errors and misprints to me, as I would like to make this way of distributing a chart more and more perfect, if possible ☺

Please let me know if you have any problems with this “package” .... And for all cases of questions and “input” please refer to my email address above, or to the Support Group at Yahoo which deals with all kinds of conversation re: my designs and problems with them ( hopefully not so many problems... )

Thank you - and : Happy Stitching !

Kindest regards,

*Martina Weber*
