Instructions

The model for Red 2 is recommended to be stitched over 1 on 25 count Dublin Linen. Please use 1 strand of floss or 2 depending on your coverage preference. Charts are recommended to be stitched from page 1 top left to the last page bottom right.

It is recommended that you make working copies and enlarge to view detail and symbols.

You may also use the tent stitch or full crosses depending on your preference.

This is a large project that will offer many hours of stitching pleasure.

We thank you for purchasing this design and welcome any questions or comments that you may have.
