Two of Wands

Chart No: HAESLT013

By Michele Sayetta

Artwork by Stephanie Pui-Mun Law

In readings, the Two of Wands indicates that power is a major issue in the situation. You or someone else has it or wants it. When you see this card, look carefully at your goals and activities to make sure you are using power wisely. Don't support power for its own sake, but enjoy it when it serves your worthwhile purposes. Take this gift and use it to mold your environment in positive ways.

The Two of Wands can also stand for an extra dose of daring and inventiveness. When you see this card, trust that the time is right for the bold, creative move that will knock their socks off. Forget subtlety and old, tired approaches.

Allow yourself free rein and you'll be amazed at the results. Keywords: Planning, preparation

Ace of Cups

Chart No: HAESL1415

By Michele Sayetta

Artwork by Stephanie Pui-Mun Law

Emotions rising up for new love. This usually indicates that the querent is feeling a new welling of emotion or beginning to have some vivid dreams. They're not writing the poetry yet, but they feel the desire to, or they may have caught sight of a figure across a room and felt a tug at their heart. They've lifted the cup and they want to drink from it.

Two of Cups

Chart No: HAESL1415

By Michele Sayetta

Artwork by Stephanie Pui-Mun Law

In readings, the Two of Cups tells you to look for connections in your life, especially those that are one-on-one. Now is not the time to separate or stay apart. It is the time to join with another and work as a partnership. If you are in conflict, look for truce and the chance to forgive and be forgiven. If you are struggling with two choices or tendencies within yourself, seek to reconcile them.

Usually, the Two of Cups is welcome in a reading, but it can also sound a note of warning. The energy of Two can be very compelling. If you have ever stood next to two people in love, you know what I'm talking about. They create between themselves a world of their own that can feel exclusionary to outsiders. "Two's company; three's a crowd." Make sure that the tendency to pair off is not creating disharmony in your situation. Keywords: Attraction, commitment

Each small image contains a unique, abstract pattern of black and white shapes, including lines, dots, and irregular forms. The patterns vary significantly across both rows and columns, suggesting a high degree of diversity in the generated content.

By Michele Sayetta

Artwork by Stephanie Pui-Mun Law

In readings, it shows that a seed of productivity has been planted in your life although you may not yet recognize it. When the seed sprouts, it could take almost any form. It might be a feeling of centeredness, desire for results or need to focus on practical matters. On the outside, it could be an offer, gift, opportunity, encounter or synchronistic event.

When you see this Ace, examine your life to see how its solid energy could work for you. Now is not the time for fantasy, drama or daring. It is a time to be real and centered. Seek out comfortable, reliable experiences that make you feel secure. Build a foundation of trust in your life both within and without. Your common sense will tell you what to do. Focus also on the natural world to help you stay grounded. Enjoy your body and all the joys of material existence.

The Ace of Pentacles can be a sign that you will be able to make your dreams real. Your ideas are ready to be turned into something tangible. Figure out what will work and make it a reality. You can now attract all the wealth you need to get your projects going. Tap into the material force of the Ace of Pentacles, and all your enterprises will flourish. Keywords: Material foundation

Two of Pentacles

Chart No: HAESLT014

By Michele Sayetta

Artwork by Stephanie Pui-Mun Law

In readings, the Two of Pentacles lets you know that you can juggle all demands made upon you. In fact, you will relish the excitement of every hurdle. If you do not feel this level of confidence right now, this card asks you to believe in yourself. You have all you need to meet your every goal and more. Embrace the challenge.

The Two of Pentacles also reminds you to be flexible. Lancelot could not have navigated the swords walking in a straight line. He had to move freely and lightly in all directions as needed. You too must be supple if you want to prevail. Don't force your way through or you will be cut down. Now is not the time to be rigid. Know that sometimes a side step, or even a back step is the surest way forward.

The Two of Pentacles is also a symbol of fun, laughter and good times. It is definitely a high-energy card. If you are feeling tired or depressed, this card may be a sign that greater vitality will be yours. Keywords: Balance, juggling of

Figure 1 displays a 10x10 grid of 100 small images, arranged in 5 rows and 20 columns. The columns are labeled 160, 170, 180, 190, and 200. The rows are labeled 290, 300, 310, 320, and 330. The images show a complex, fractal-like pattern that evolves from a simple initial state at the top left to a highly complex, self-similar structure at the bottom right.
