## Instructions

The model for Motherly Love is recommended to be stitched over 1 on 25 count fabric but you may use any count that you are comfortable with. Please use 1 strand of floss or 2 depending on your coverage preference. Charts are recommended to be stitched from page 1 top left to the last page bottom right.

If the chart contains Kreinik 032 #4 (very fine braid) we recommend that you experiment with a couple of options. Start with 1 strand of Kreinik 032 Blending Filament with one strand of white as well as trying the Very Fine Braid to determine the look that you like most.

You may also use the tent stitch or full crosses depending on your preference.

We thank you for purchasing this design and welcome any questions or comments that you may have.

[illegible]

[illegible]

A large grid of 480 rows and 150 columns of small triangles, illustrating the growth of a Sierpinski triangle. The grid is divided into sections labeled 80, 90, 100, 110, 120, 130, 140, and 150. The triangles are arranged in a pattern that fills the grid, with the number of triangles increasing as the column index increases.
