Figure 1 displays a 10x10 grid of small plots, each showing the evolution of the number of nodes in a network over time. The rows are labeled 160, 170, 180, 190, and 200 on the left. The columns are labeled 130, 140, and 150 at the top. Each plot shows a network of nodes (circles) and edges (lines) at a specific time step. The plots show a transition from a single node to a complex network structure.
