Instructions

The model for T is The Season is recommended to be stitched over 1 on 25 count Dublin Linen. Please use 1 strand of floss or 2 depending on your coverage preference. Charts are recommended to be stitched from page 1 top left to the last page bottom right.

It is recommended that you make working copies and enlarge to view detail and symbols.

You may also use the tent stitch or full crosses depending on your preference.

This is a large project that will offer many hours of stitching pleasure.

We thank you for purchasing this design and welcome any questions or comments that you may have.

[illegible]

Figure 1 is a 10x10 grid of small images, each showing a handwritten digit '4'. The grid is labeled with column numbers 390 and 400 at the top, and row numbers 480, 490, and 500 on the left. The images show a progression from a noisy, low-quality digit (left) to a clear, high-quality digit (right). The progression is from left to right (390 to 400) and from bottom to top (500 to 480).
