## Instructions

The model for The Magic Hat is recommended to be stitched over 1 on 25 count fabric but you may use any count that you are comfortable with. Please use 1 strand of floss or 2 depending on your coverage preference. Charts are recommended to be stitched from page 1 top left to the last page bottom right.

If the chart contains Kreinik 032 #4 (very fine braid) we recommend that you experiment with a couple of options. Start with 1 strand of Kreinik 032 Blending Filament with one strand of white as well as trying the Very Fine Braid to determine the look that you like most.

You may also use the tent stitch or full crosses depending on your preference.

We thank you for purchasing this design and welcome any questions or comments that you may have.

[illegible]

A 4x100 grid of playing cards. The columns are labeled 380, 390, 400, 410, 420, and 430. The grid contains various playing cards, including face cards and numbered cards, arranged in a pattern that suggests a specific sequence or game.

Figure 1 shows a 4x100 grid of symbols. The grid is divided into three sections labeled 500, 510, and 520. The symbols are small icons of various shapes and colors (black, white, grey) arranged in a pattern that changes across the rows and columns.
