## Instructions

The model for Indian is recommended to be stitched over 1 on 25 count fabric but you may use any count that you are comfortable with. Please use 1 strand of floss or 2 depending on your coverage preference. Charts are recommended to be stitched from page 1 top left to the last page bottom right.

If the chart contains Kreinik 032 #4 (very fine braid) we recommend that you experiment with a couple of options. Start with 1 strand of Kreinik 032 Blending Filament with one strand of white as well as trying the Very Fine Braid to determine the look that you like most.

You may also use the tent stitch or full crosses depending on your preference.

We thank you for purchasing this design and welcome any questions or comments that you may have.

[illegible]

The image displays a 100x100 grid with a central vertical line at column 50 and a central horizontal line at row 50. The grid is divided into four quadrants, each labeled with a number in the top-left corner: 240 (top-left), 250 (top-right), 260 (bottom-left), and 270 (bottom-right). The grid contains various symbols, including hearts, arrows, and numbers, arranged in a complex pattern. The symbols are distributed across the grid, with some appearing in specific rows and columns, and others appearing in larger clusters. The overall layout is symmetrical, with the symbols in the top-left quadrant mirroring those in the bottom-right quadrant, and the symbols in the top-right quadrant mirroring those in the bottom-left quadrant.

The image displays a large grid of 100 columns and 100 rows. The columns are labeled at the top with numbers 310, 320, 330, 340, 350, 360, 370, and 380. The rows are labeled on the left with numbers 480, 490, and 500. The grid is filled with a complex pattern of symbols, including 'L', 'I', 'III', and 'V', arranged in a way that suggests a specific data structure or a visual representation of a system. The symbols are distributed across the grid, with some areas showing higher concentrations of certain symbols than others.
