Instructions

The model for Walk Beside Me is recommended to be stitched over 1 on 25 count fabric but you may use any count that you are comfortable with. Please use 1 strand of floss or 2 depending on your coverage preference. Charts are recommended to be stitched from page 1 top left to the last page bottom right.

If the chart contains Kreinik 032 #4 (very fine braid) we recommend that you experiment with a couple of options. Start with 1 strand of Kreinik 032 Blending Filament with one strand of white as well as trying the Very Fine Braid to determine the look that you like most.

You may also use the tent stitch or full crosses depending on your preference.

We thank you for purchasing this design and welcome any questions or comments that you may have

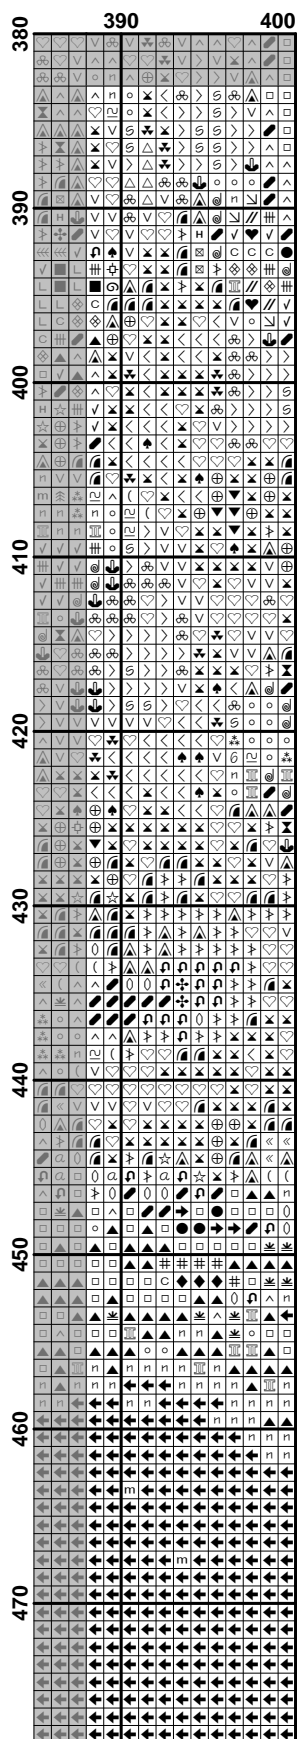

Figure 1 displays a grid of 2400 small images, arranged in 3 rows (labeled 480, 490, 500 on the left) and 80 columns (labeled 10, 20, 30, 40, 50, 60, 70, 80 at the top). Each small image shows a handwritten digit '4' generated by a model at a specific stage (column) and resolution (row). The images illustrate the progression of the digit's appearance across different stages and resolutions, showing how the model's output evolves from noisy, abstract patterns to a clear, recognizable digit '4' as the stage number increases.

[illegible]

The figure displays a 10x100 grid of small images, each showing a different pattern of black and white dots. The columns are labeled with numbers 310 through 380 at the top. The rows are labeled with numbers 480, 490, and 500 on the left side. Each small image represents a specific combination of the two variables, showing a unique pattern of dots.
