**Congratulations on buying a Heaven and Earth Designs LLC Cross Stitch Chart .**

**We hope it will bring you many hours of pleasurable stitching and believe the final result will be something to love and admire forever.**

Included with your chart is a clear plastic bag to protect your chart, and a coded thread list for the threads you will need to complete your project. Our charts are designed to use DMC stranded cotton threads and, where appropriate, Kreinik metallic thread.

### **Chart Instructions:**

1. This chart is **made up of several numbered pages** beginning at the top left corner of the first page. **The pages of chart are** laid out from left to right in **rows e.g. 1 2 3 4, 5 6 7 8**. Although each chart is marked with arrows which indicate the centre , we believe you will find it easier to begin from the top left corner of page 1 and follow the chart page by page to the bottom right corner of the last page.
2. We recommend you **stitch your design** on either 18 count Aida or 25 count Linen. using 2 strands of cotton over one in each case.
3. At the top of the thread list you will find our recommendation for the fabric colour. We recommend purchasing a piece of fabric that **equates to the design size** plus 3 inches [75mm] all around, **to allow** for framing and matting.
4. Because of the large number of stitches, we have found it to be easier if you stitch one 10X10 grid at a time and then continue on to the next 10 x 10 grid.
5. Stitch each page until it is completed and then move on to the next. On each page there is a number at the top left that indicates the page number. On each corner is a number in parenthesis that indicates the connecting page, unless there is not one.
6. **Under International Copyright Laws, you may copy the chart for your own use. We recommend that you use a copy as your working document. You may also wish to enlarge the pages to make the symbols easier to read.**

**If you have any questions regarding this chart please feel free to contact us.**
