The figure displays a large grid of 100 rows and 150 columns. The rows are labeled on the left side with numbers 10 through 90, and the columns are labeled on the top side with numbers 80 through 150. The grid is filled with a complex pattern of symbols, including letters, numbers, and special characters, arranged in a way that suggests a cryptographic or data visualization context. The symbols are organized into distinct blocks and patterns, with some areas showing more frequent repetition of certain characters than others. The overall layout is dense and structured, with the labels providing a clear reference for the position of each symbol within the grid.
