## Instructions

The model for Spring Is In The Air is recommended to be stitched over 1 on 25 count fabric but you may use any count that you are comfortable with. Please use 1 strand of floss or 2 depending on your coverage preference. Charts are recommended to be stitched from page 1 top left to the last page bottom right.

If the chart contains Kreinik 032 #4 (very fine braid) we recommend that you experiment with a couple of options. Start with 1 strand of Kreinik 032 Blending Filament with one strand of white as well as trying the Very Fine Braid to determine the look that you like most.

You may also use the tent stitch or full crosses depending on your preference.

We thank you for purchasing this design and welcome any questions or comments that you may have.

[illegible]

The image displays a large grid of symbols, organized into 120 columns and 4 rows. The columns are labeled at the top with numbers 80, 90, 100, 110, 120, 130, 140, and 150. The rows are labeled on the left with numbers 290, 300, 310, and 320. Each cell in the grid contains a unique symbol, primarily geometric in nature, such as crosses, circles, squares, and various line patterns. The symbols are arranged in a complex, repeating pattern across the grid.
