## Instructions

The model for Queen of Hearts is recommended to be stitched over 1 on 25 count fabric but you may use any count that you are comfortable with. Please use 1 strand of floss or 2 depending on your coverage preference. Charts are recommended to be stitched from page 1 top left to the last page bottom right.

If the chart contains Kreinik 032 #4 (very fine braid) we recommend that you experiment with a couple of options. Start with 1 strand of Kreinik 032 Blending Filament with one strand of white as well as trying the Very Fine Braid to determine the look that you like most.

You may also use the tent stitch or full crosses depending on your preference.

We thank you for purchasing this design and welcome any questions or comments that you may have

The image displays a large grid of 1000 small images, arranged in 10 rows and 100 columns. The grid is labeled with row numbers 380 to 470 on the left and column numbers 10 to 80 on the top. Each small image contains a different pattern of symbols, including letters, numbers, and geometric shapes, creating a complex, abstract visual field.

Figure 1 shows a 10x10 grid of 100 small images, each representing a snapshot of a pattern at a specific time step. The grid is labeled with time steps 390, 400, 570, 580, 590, and 600. The pattern starts as a simple shape and evolves into a complex, fractal-like structure.
