Instructions

The model for A Musical Afternoon is recommended to be stitched over 1 on 25 count fabric but you may use any count that you are comfortable with. Please use 1 strand of floss or 2 depending on your coverage preference. Charts are recommended to be stitched from page 1 top left to the last page bottom right.

If the chart contains Kreinik 032 #4 (very fine braid) we recommend that you experiment with a couple of options. Start with 1 strand of Kreinik 032 Blending Filament with one strand of white as well as trying the Very Fine Braid to determine the look that you like most.

You may also use the tent stitch or full crosses depending on your preference.

We thank you for purchasing this design and welcome any questions or comments that you may have.

The image displays a large grid of musical notation, organized into rows and columns. The rows are labeled on the left side with numbers 190, 200, 210, 220, 230, 240, 250, 260, 270, and 280. The columns are labeled at the top with numbers 10, 20, 30, 40, 50, 60, 70, and 80. Each cell in the grid contains a small, stylized musical symbol or character, likely representing a specific note or rhythm value. The symbols are arranged in a dense, repeating pattern across the grid, with some variations in shading and orientation. The overall layout suggests a musical score or a data visualization related to music.

The image displays a musical score for 10 staves, numbered 380 to 470 on the left. The score is organized into 10 measures, numbered 160 to 230 at the top. Each measure contains a complex musical notation, including notes, rests, and dynamic markings. The notation is dense and spans the entire grid.
