Instructions

The model for Just The Right Moment is recommended to be stitched over 1 on 25 count fabric but you may use any count that you are comfortable with. Please use 1 strand of floss or 2 depending on your coverage preference. Charts are recommended to be stitched from page 1 top left to the last page bottom right.

If the chart contains Kreinik 032 #4 (very fine braid) we recommend that you experiment with a couple of options. Start with 1 strand of Kreinik 032 Blending Filament with one strand of white as well as trying the Very Fine Braid to determine the look that you like most.

You may also use the tent stitch or full crosses depending on your preference.

We thank you for purchasing this design and welcome any questions or comments that you may have.

This image is a large, complex grid of small, colorful, abstract shapes. The grid is composed of 100 rows and 100 columns of these shapes. The shapes are arranged in a repeating pattern that forms a larger, more complex shape. The colors are primarily shades of blue, green, and yellow, with some red and orange accents. The overall effect is a dense, textured mosaic.
