Finishing Instructions

You may stitch your stocking on any fabric that you like and once the stitching is complete you will then create a template.

A template may be made by tracing the finished design

with an additional 1/4 inch margin. Then choose a backing fabric and cut to the same size as the stitched area.

You may use some decorative cord or just leave plain. Pin the right sides together and then machine stitch around the perimeter being careful to not cover your stitched area.

Then turn right side out and voila, you have a beautiful stocking.
