## Instructions

The model for Santa's Bag of Toys is recommended to be stitched over 1 on 25 count fabric but you may use any count that you are comfortable with. Please use 1 strand of floss or 2 depending on your coverage preference. Charts are recommended to be stitched from page 1 top left to the last page bottom right.

If the chart contains Kreinik 032 #4 (very fine braid) we recommend that you experiment with a couple of options. Start with 1 strand of Kreinik 032 Blending Filament with one strand of white as well as trying the Very Fine Braid to determine the look that you like most.

You may also use the tent stitch or full crosses depending on your preference.

We thank you for purchasing this design and welcome any questions or comments that you may have.

The image displays a 10x100 grid of small, square images. Each image contains a unique pattern of black and white pixels, creating a variety of textures and structures. The grid is organized into 10 rows and 100 columns. The columns are labeled with numbers 310 through 380 at the top. The rows are labeled with numbers 290 through 380 on the left. The patterns are highly varied, showing a wide range of textures and structures.
