Instructions

The model for Forsaken is recommended to be stitched over 1 on 25 count fabric but you may use any count that you are comfortable with. Please use 1 strand of floss or 2 depending on your coverage preference. Charts are recommended to be stitched from page 1 top left to the last page bottom right.

If the chart contains Kreinik 032 #4 (very fine braid) we recommend that you experiment with a couple of options. Start with 1 strand of Kreinik 032 Blending Filament with one strand of white as well as trying the Very Fine Braid to determine the look that you like most.

You may also use the tent stitch or full crosses depending on your preference.

We thank you for purchasing this design and welcome any questions or comments that you may have.

[illegible]

The figure displays a 4x100 grid of small images, arranged in 4 rows and 100 columns. The columns are labeled with values 240, 250, 260, 270, 280, 290, 300, and 310. The rows are labeled with values 570, 580, 590, and 600. Each small image shows a complex, noisy pattern, likely representing a 2D signal or a map. The patterns vary across the grid, with some images showing more distinct features than others. The overall appearance is that of a noisy, evolving signal or map.

The figure displays a large grid of 1000 small images, arranged in 20 rows and 50 columns. The grid is organized into 10 groups of 100 images each, labeled 310 through 380 at the top. The rows are labeled 570, 580, 590, and 600 on the left side. The images show a variety of patterns, including solid colors, gradients, and complex textures.
