Instructions

The model for Deputies is recommended to be stitched over 1 on 25 count fabric but you may use any count that you are comfortable with. Please use 1 strand of floss or 2 depending on your coverage preference. Charts are recommended to be stitched from page 1 top left to the last page bottom right.

If the chart contains Kreinik 032 #4 (very fine braid) we recommend that you experiment with a couple of options. Start with 1 strand of Kreinik 032 Blending Filament with one strand of white as well as trying the Very Fine Braid to determine the look that you like most.

You may also use the tent stitch or full crosses depending on your preference.

We thank you for purchasing this design and welcome any questions or comments that you may have.

The image displays a large grid of 1000 cells, organized into 10 columns and 100 rows. The columns are labeled with numbers 10, 20, 30, 40, 50, 60, 70, and 80. The rows are labeled with numbers 570, 580, 590, 600, 610, 620, 630, 640, and 650. Each cell contains a small, stylized symbol, likely a character from a specific alphabet or a binary/ternary representation. The symbols are arranged in a way that suggests a complex pattern or sequence, possibly related to a cryptographic or computational task. The grid is divided into 10 columns, each labeled with a number from 10 to 80. The rows are labeled with numbers from 570 to 650. The symbols are small, stylized characters, possibly representing a binary or ternary code, arranged in a way that suggests a specific pattern or sequence.

The image displays a 10x100 grid of small, square images. The rows are labeled on the left with numbers 570, 580, 590, 600, 610, 620, 630, 640, and 650. The columns are labeled on the top with numbers 390, 400, 410, 420, 430, 440, 450, and 460. Each small image shows a pattern of small, dark, circular objects (possibly seeds or beads) arranged in different configurations on a light background. The patterns vary significantly across the grid, with some showing dense clusters and others showing sparse, scattered objects.
