Instructions

The model for Patience is stitched over 1 on 25 count Dublin Linen. Please use 1 strand of floss or 2 depending on your coverage preference.

It is recommended that you make working copies and enlarge to view detail and symbols.

You may also use the tent stitch or full crosses depending on your preference.

This is a large project that will offer many hours of stitching pleasure.

We thank you for purchasing this design and welcome any questions or comments that you may have.

The figure displays a 10x10 grid of 100 small plots, each showing a different pattern of data points. The plots are arranged in a 10x10 grid, with rows and columns labeled 190 through 250. The patterns vary significantly, showing different distributions, trends, and shapes of data points, likely representing different experimental conditions or parameters.

Figure 1 displays a 5x100 grid of icons, representing a 500-item dataset. The grid is divided into five vertical sections labeled 130, 140, 150, 160, and 170 at the top. The first column is labeled 470 on the left. Each cell contains a unique icon, such as flowers, diamonds, arrows, and squares, arranged in a complex, non-random pattern.
