Instructions

The model for Zebra is recommended to be stitched over 1 on 25ct, Linen or Evenweave may be used. This chart has been charted in DMC but it is our recommendation that it be stitched in Silk from Hand-Dyed

Fibers at:

<http://www.hand-dyedfibers.com/>

You may use 1 or 2 strands of floss depending on your preference. It is recommended that you make working copies and enlarge to view detail and symbols. We also suggest using a #28 needle when working over 1 on 25ct. This is a large project that will offer many hours of stitching pleasure.

We thank you for purchasing this design and welcome any questions or comments that you may have.
